## RTX-0605-A

Item No. 211-552-11

**NEW PRODUCT**  
**\$228,000.00** USD

# FORMTRACER AVANT

## FTA-H8D4000-D

Item No. 525-327-13

### PROMO

\$68,759.00 USD

## FORMTRACER Avant, One-sided Cut Stylus & Standard stylus, FREE Software

The new hybrid measuring system, "FORMTRACER Avant Series," allows measurements both of contour and surface roughness. Equip yourself with this new Mitutoyo form measurement machine that gives you speed, full operability, and expandability, now with FREE Software till the end of April 2021.

The FORMTRACER Avant enables high measurement efficiency with its speed, best operability practices with various features such as automation, and gives you the option to upgrade to a more complex system by integrating new detectors.
